BCM Pound Projects update

Thank you for your contribution this month.

This month our focus was to help people in Yemen. Yemen is currently the worst humanitarian crisis in the world with some 22 million people, 75 per cent of the population, requiring some form of humanitarian assistance and protection. There is much concern for the civilian population impacted by the conflict, in particular the estimated 2.3 million displaced individuals and over one million returnees, as well as the 270,000 refugees and 10,000 asylum seekers in Yemen. There are many agencies trying to help the people of Yemen but they are facing many barriers.

This month we sent 73kg of clothes to Yemen. The garments included many baby clothes, clothes for children and clothes for adults and included coats and blankets. The clothes are being transported by road and ship to reach the recipients in the Ibb area of Yemen where many individuals have fled to.

The recipients of the clothes are people who cannot afford clothing and are currently living in complete poverty and fully reliant on others to help them with food, clothing and shelter.

We hope and pray, Insha'Allah that our cargo of clothes reaches the people who need them desperately. On safe receipt of the clothes we should get photographs of the clothes being distributed to the neediest Insha'Allah.

A big thank you to all who donated new and as-new clothing for this cause.

“The Messenger of Allah (peace be upon him) said: ‘If a believer feeds another believer in hunger, Allah will feed him from the fruits of Paradise on the Day of Resurrection. If a believer quenches the thirst of another believer, Allah will give him a pure drink (which is sealed to drink) on the Day of Resurrection. **And if a believer clothes another believer when he is unclothed, then Allah will clothe him with green garments of Paradise.**”

Set forth by Abu Dawud in al-Sunan, 2:130 Hadith #1682. Al-Tirmidhi in al-Sunan, Ch: (8), 4:633 Hadith #2449.

“If a believer clothes another believer when he is unclothed, then Allah will clothe him with green garments of Paradise.”

We can always do with more help.
