HELPING THE LESS FORTUNATE THROUGH  
ACTS OF KINDNESS AND CHARITY

## Charity projects

### BCM Pound Projects update

Islam places much emphasis on education and knowledge and makes the seeking of knowledge and implementation of what has been learnt incumbent on both men and women. The main purpose of acquiring knowledge is to bring us closer to Allah swt.

Without knowledge one can't truly receive Allah's (swts) gift of Islam. If our knowledge is little, then we will constantly run the risk of losing that magnificent gift.

So, this month we contributed £53 to an Islamic girls' madrassa that is being built in Birmingham.

The aim of the madrassa is to educate girls for no charge. The type of education they receive will be Islamic education, reading the Glorious Qur'an Majid in the correct manner, learning the Ahadith and the Sunnah of The Beloved Prophet Muhammed (Saw) and The Respected Companions RA.

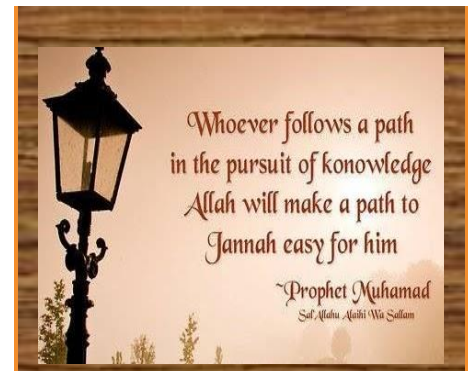

As Muslims our intention is to donate towards this project as Sadaqah Jariah & reap the rewards from Allah (SwT) for our good deeds.

One of the biggest achievements will be the delivery of the Alimah course. Young girls can enrol onto the 5 year Alimah course (for free) and then at the end of the 5 years will be offered a job to teach other girls.

The reason we donated a smaller amount this month was to subsidise some of this month's £1 donations towards next month's project of sponsoring a water well in a part of the world where running water is scarce or not available.

There are many types of wells that we can have installed from scratch but all cost a substantial amount. In the first instance we are Insha'Allah starting off with a tube well, which is manually operated and can pump water from about 30 metres beneath the ground. It is designed to last at least 10 years and can be easily maintained by the beneficiary. We will need in the region of £190 for this project. Hence, the need to offer a smaller amount this month.

**A special welcome and thank you to the new members who joined last month. Your £1 per month goes a very long way and we truly appreciate your contribution.**
