BCM Pound Projects update

This month we provided aid for Rohingya Muslims in Bangladesh. The Rohingya are vulnerable people that have had to flee their homes, leaving behind their communities and the lives they once led, and now many must face a life on the road, struggling to find a safe place to stay.

We provided aid, which can be delivered in many forms including food, clean water, shelter and accommodation, medicine, health supplies, and hygiene and sanitation.

The intention is to help people on the other side of the world who have no control over their daily lives and for us to be grateful for the daily decisions that we make for ourselves and our families.

Update on previous projects: We are really excited to give an update the second well that your £1 donation contributed towards! The images in the right hand side column above are of the well that your contributions paid for in Pakistan. ID number 2958124. The is a plaque on the well to indicate the well has been donated by Birmingham Council of Mosques.

Another update: The 75kg of clothes that we sent to Yemen have successfully reached their recipients in Ibb. Photographs below show people receiving the clothes and a young girl wearing a dress that she chose! Your contributions made the delivery of the clothes, shoes and coats achievable. Jzk.

Next months project:

Next months intention is to feed the needy in local communities. We have used the last few months donations to help Muslims abroad and we pray that all food, clothes, aid and medical supplies have reached recipients as we have intended. We acknowledge there are many local people who also struggle on a day to day basis and wish to help them.
