HELPING THE LESS FORTUNATE THROUGH ACTS OF KINDNESS AND CHARITY

Charity projects

BCM Pound Projects update

This month was the 27th project that we have completed. It was an act of genuine and heartfelt kindness, as well as an act of charity towards others who are in need of a kind deed.

This month we provided food, education packs and gifts for two young orphans. Both girls are of school age and so in readiness for the start of the academic year we provided many educational resources to give them a head start for the new school year. These included calculators, stationery, coloring pens, books, folders, math's sets, whiteboards and markers, crayons, highlighters, glue sticks as well as metal refillable water bottles and many more items. We also included a book for each child with invocations from the Qur'an Majid and Sunnah as guidance for them.

As well as the education resources we also provided non-perishable food items, as the Qur'an states we should feed orphans for the sake of Allah swt. The girls are being cared for by an elderly grandmother who does not own a car and therefore only has access to local shops. So, we also provided some gifts to the girls so they have own items that a mother would usually buy for her daughters; items such as hair ribbons and clips, toiletries and creams and items that all young girls growing up should have access to.

We endeavor to Insha'Allah continue to support these two children in the future.

A note to say that your money is not used as zakat but as lillah. Jzk
