HELPING THE LESS FORTUNATE THROUGH ACTS OF KINDNESS AND CHARITY

Charity projects

BCM Pound Projects update

This month was the 28th project that we have completed to help others in need, to provide charity or simply to carry out acts of kindness towards others.

This time last year we donated winter clothing to children living below the poverty line, in an inner city area within Birmingham – so this month we decided to do the same.

We purchased hat, gloves and scarf sets, as well as socks, for children whose families cannot afford much more than essentials. The school they attend is supporting those families by providing essentials such as food using their own school's food bank. We purchased enough winter accessories to help keep over a dozen children warm. On the right, you will see photographs of the items purchased.

As well as winter essentials we also donated essential items such as shampoo, toothbrushes, toothpaste, soap and shower gel to the school - who in turn will distribute the items to the families who need them most, the local Church and a Muslim-based charity who help vulnerable individuals and families in crisis, through the provision of emergency food and essentials supplies, while a longer-term solution is developed. All the items will be distributed after the school half term break next week Insha'Allah. Thank you, as always, for your monthly donation.

A note to say that your money is not used as zakat but as lillah. Jzk.

If family or friends wish to help with £1 per month please pass on the details below: Monthly standing order of £1 or £12 payment for the year.
