HELPING THE LESS FORTUNATE THROUGH ACTS OF KINDNESS AND CHARITY

## Charity projects

### BCM Pound Projects update

Thank you for this month's contribution towards our monthly projects.

Giving charity isn't just a kind gesture; it is also a highly rewarding deed in Islam. A true act of compassion, charity is regarded as Sunnah in Islam, a deed deeply loved and highly preached by Prophet Muhammad (PBUH). Charity is connected to generosity; a virtue that is central in Islam. It is considered a quality of the soul, which Allah gives to those He loves, those who are not attached to material wealth and instead use what they are given to help others.

That is exactly what we did this month on our 30th project to help others; we contributed towards the building of an orphanage. This is a big project but every small contribution will help to create a place of safety and a home for orphans.

Every child has a right to be protected, taken care of physically, psychologically and emotionally and these rights don't change when they become orphans. We have Insha'Allah contributed towards the care and upbringing of these children.

*Thank you for your continued support towards all 2020 projects and all previous projects.*

A note to say that your money is not used as zakat but as lillah. Jzk.

If family or friends wish to help with £1 per month please pass on the details below: Monthly standing order of £1 or £12 payment for the year.
