HELPING THE LESS FORTUNATE THROUGH ACTS  
OF KINDNESS AND CHARITY

## Charity projects

### BCM Pound Projects update

Thank you for this month's contribution towards our monthly projects. This month the project was not a charity project but one of kindness and one that will earn us rewards, as it counts as sadaquah jariah.

This month we created ten gift packs to distribute to reverts to Islam. The gift packs comprised of luxury prayer mats, a tasbeeh, a book of duas and supplications with translations in English, as well as a translation of the Qur'an Majid in English.

We have previously created and distributed gift packs to reverts to Islam and they were received with such a high level of gratitude and genuine thanks for the support that we were providing. We also benefit immensely from this project for our contribution.

Sadaquah Jariah is a continuous and ongoing deed or charity. It is one of the most rewarding acts we can do in our lives, as the benefits of giving this type of charity can be reaped in this life and long after we have passed. Allah (swt) guarantees to record these continuous acts of charity in the following verse:

*"Indeed, it is We who bring the dead to life and record what they have put forth and what they have left behind, and all things We have accounted for in a clear register."* (Qur'an 36:12). So, whenever someone prays on the prayer mat, does zikar on their tasbeeh, reads the meaning of the Qur'an Majid, recites a dua from their dua book or passes on anything they have learnt or read then we will continuously reap the rewards Insha'Allah.

A note to say that your money is not used as zakat but as lillah. Jzk.
