BCM Pound Projects update

This month was the 36th project that we completed.

Due to very popular demand we donated 10 gift packs for reverts to Islam. These packs will be taken to Scotland where an organisation that invites individuals to Islam, as part of their dawah mission, will distribute to reverts as soon as they declare the shahadah.

"If Allah guides a person through you, it is better for you than all that is on this earth" (Bukhari no.2783)

The gift packs consist of a luxury large prayer mat, a translation the Quran Majid, a book of supplications and duas and a 99 bead tasbeeh. We wanted to offer some kind of guidance and help to reverts as it is reported that many people that revert to Islam feel isolated and feel a sense of loneliness. Reverts enter a new life, a new way of thinking and perceiving the world.

They don't always know what to do; whom to trust or whom to listen to. There is no better guidance than the words of Allah swt and that is why we wanted to include a copy of the English translation of the Holy Quran in the gift packs. We hope and pray all those entering Islam are successful in their new journey and Allah swt accepts their efforts, duas and prayers.

An update on a previous project: last year we paid for a water well to be placed in a village where fresh water is scarce. This was the fourth well that we have had constructed. The well was completed earlier this month. Images on the right.

"The best charity is to give water to drink."
The Prophet Muhammad ﷺ
