BCM Pound Projects update

This month was the 39th project completed by BCM – as always thank you to all those that contribute £1 or more every month.

This month we purchased essential items to create some care packs for women accessing maternity services at a large Birmingham hospital. The items included shampoo, shower gels, soap, sanitary products, toothbrushes, toothpaste and deodorant.

These care packs will be set aside and donated to women from Afghanistan who have entered the country as refugees. The hospital anticipates that these women, who have fled their country, will access maternity services in the forthcoming months as they are relocated to Birmingham.

They are already seeing a need for the service and preparing for the forthcoming months by having items available at the point the women access the service.

Thousands of people have now fled their country with nothing except the clothes they are wearing. Every little will help during this time of need, especially at a time where these women may be feeling at their most vulnerable.

He is with you,
where you may be;
and Allah is
seeing your deeds.

A note to say that your money is not used as zakat but as lillah. Jzk.
