HELPING THE LESS FORTUNATE THROUGH ACTS OF KINDNESS AND CHARITY

Charity projects

BCM Pound Projects update

This month was project 41 that we have completed in the four years that we have spent helping others in acts of charity and kindness.

This month we donated enough food to feed a family of five for one month in Lebanon. This was kindly distributed to those who need it by one of our donators who contributes every month towards our projects; may Allah swt accept his efforts and reward him abundantly. We also donated enough funds for a supply of blankets, hats and scarves for a whole family. An image of the blankets is on the right. The charity distributing the aid distributed it directly to children, as pictured on the bottom right – children receiving chocolate and crisps! This would bring a smile to any child's face!

A group of children that they helped posed for a picture to be taken with some of the aid workers – see top right image.

They aid workers also organised for meals to be provided to feed orphans, pictured below. As well as this, they paid the rent for a widow for the whole year and paid off her debts. They gave money to families for maintenance of their homes.

They visited many different camps and gave \$300 to each family living in the tents of that camp.

Thank you for your contribution towards this month's project.

Allah (swt) described those who feed needy people as those who will be among the “companions of the right” and those who will inherit Jannah.

A note to say that your money is not used as zakat but as lillah. Jzk.
