BCM Pound Projects update

This month was the 40th project that we have completed for forty consecutive months. Jazakallah Khair! Your contribution is always much appreciated; without it such projects would not even be possible. In the past we have supported two young orphan girls who are being cared for by their elderly grandmother. We have supplied them with money for school uniform, food, and stationary for school as well as other essential items.

This month we asked the girls and their grandmother what they were in need of so that our support could be direct and meaningful to them. They requested a rice cooker, as theirs was broken, and a laptop so they could complete their school work and revise for exams. So, we purchased these items for them. The girls and their grandmother gave us duas in abundance for being there for them

and for caring about them.

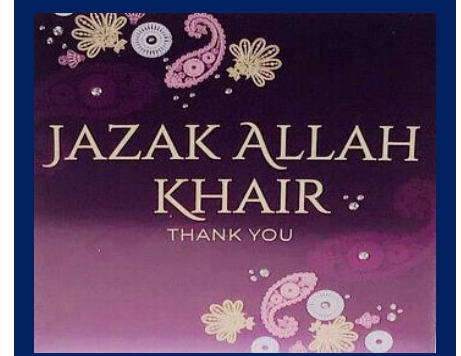

This project really touched the hearts of the recipients and we pray that these items will be used daily so we continue to be rewarded. We hope we have contributed towards the children's education and their journey to becoming educated, successful and independent young women.

Insha'Allah we endeavor to continue our support for these children and their grandmother in the future.

Taking care of an orphan is worship.

In one verse of the Holy Qur'an, Allah (swt) describes the righteous in Paradise as being those who took care of orphans during their worldly life.

'And they [the righteous] give food in spite of love for it to the needy, the orphan, and the captive... ' Al Insan: 8

Prophet, may Allah bless him and grant him peace, said

"I and the guardian of the orphan will be in the Paradise like that," indicating his forefinger and middle finger. (Sahih Bukhari)

A note to say that your money is not used as zakat but as lillah. Jzk.
