HELPING THE LESS FORTUNATE THROUGH ACTS  
OF KINDNESS AND CHARITY

## Charity projects

### BCM Pound Projects update

This month was project 45 that we have completed in the four years that we have spent helping others in acts of charity and kindness. The Ukraine and Russian conflict is currently in the global eye. With the escalation of the conflict, the immediate and very real threat to Ukraine's 7.5 million children has grown. Homes, schools, orphanages and hospitals have all come under attack. During such times the sad fact is that civilians face the consequences in so many different ways. The UK government has brought 21 Ukrainian children with cancer to receive care through the NHS in England. The 21 children and their immediate family members came to the UK via Poland and have been triaged by NHS clinicians to understand their health needs. They were then taken to NHS hospitals in England to continue their care. A number of children ended up at the Birmingham Children's Hospital for urgent cancer treatment.

So this month we wanted to make a difference to the lives of these children who have already suffered too much through their illness and in losing their homes. We made contact with the Oncology Ward at Birmingham Children's Hospital and asked for a list of items that the children would benefit from. We subsequently purchased new toys, arts and crafts activities, colouring books, pencils, reading books, games and chocolate for the children. Due to confidentiality reasons we do not know how many children are at the hospital or their ages so we catered for at least 10 children and the resources we supplied would cover an ages range from infants to teenage years. We also donated toiletries such as shampoo, shower gel, toothbrushes and toothpaste for the children and their mothers who have accompanied them. As always, thank you for your contribution!

A note to say that your money is not used as zakat but as lillah. Jzk.
