HELPING THE LESS FORTUNATE THROUGH ACTS
OF KINDNESS AND CHARITY

Charity projects

BCM Pound Projects update

This month was the 48th project that we have completed to help others in need, to provide charity or simply to carry out acts of kindness towards others.

It is reported that the Messenger of Allah, peace and blessings be upon him, said, "When the human being dies, his deeds end except for three: ongoing charity, beneficial knowledge, or a righteous child who prays for him." *Ṣaḥīḥ Muslim* 1631. So, this month we provided an ongoing charity and donated our **sixth water well** to a community that does not have access to clean water in Bangladesh. It is a tube well that will provide all local families with water to drink, cook with and to wash with.

We have previously donated wells to Africa, Pakistan and Bangladesh. Our fifth water well was constructed four months ago with images on the right hand side, as well as an ID to identify the well.

Water is mentioned in the Holy Qur'an 63 times as the building block of all living things, as provision (sustenance), as a sign of the Creator, as a reward and as purification; so what better form of sadaqah jariyah than to give water.

Insha'Allah not only have we helped people who are in need of clean water but also increased our good deeds that will continue to help us as sadaqah jariyah. A message for you from the organisation that installed the well:

Assalamu alaikum

I pray this reaches you in the best of health and iman. Further to your donation towards the Muslim Hands Safe Water Scheme, please find enclosed the completion report and photographs of the well which has been installed on your behalf within Pakistan. I hope that you will be able to share this feedback and the images with your family and friends, so that others may be encouraged to have more wells installed. Installation of water wells remains a high priority for Muslim Hands as there are over 1 billion people in the world who do not have adequate access to clean drinking water.

May Allah reward you for this sadaqa jariyah project.
