BCM Pound Projects update

This month, for our 49th project, we contributed towards the burial cost for a sister who died with no means of her burial being paid for. The Muslim Burial Fund carried out the fundraising campaign on behalf of her children.

Sister Syeda was a mother of 6 young children. She had been diagnosed with brain cancer at a late stage and her life expectancy was only 3-6 months when the Muslim Burial Fund received her referral. She sadly passed away in her home in Birmingham with her children besides her. She was 55 years old and originally from Pakistan. Sadly, her husband had already passed away years prior.

Their eldest daughter had initially made contact with the Muslim Burial Fund requesting their support and they reassured her that they would be with her during her mother's time of need and honour her last rights. Muslim Burial Fund offers assistance and support to needy Muslims to meet the traditional burial cost. They provide pre-burial and direct burial support including the washing, shrouding, funeral prayer and the actual burial. They do not support the cremation of any Muslim persons known or unknown. Since 2013 they have provided support for 283 burials, supported 106 people with end of life care support, provided burial support for 42 Grenfell fire victims, offered weekly telephone befriending services for 15 people in isolation with Covid 19, supported 52 families with burial plans for their deceased and much more. Please do visit their website should you wish to offer support with future burials. Jzk.

Every living being
on Earth shall taste death.
None can deny the fact.
May the departed soul

Rest In Peace

إِنَّا لِلّٰهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

Indeed we belong to Allah,
and indeed to Him we will return.

A note to say that your money is not used as zakat but as lillah. Jzk.
