BCM Pound Projects update

This month saw the 52nd project being completed to help others. This month we focused on helping our local communities; a local charity informed us that they needed several items with their stocks now at incredibly low levels. This charity provides accommodation for young adults who have no family to support to them and are homeless. The charity came together and operates with a group of people interested and concerned about homelessness issues and raises awareness of local homeless issues. The charity specifically runs two supported accommodation projects and provides friendly, safe, good quality accommodation for up to 12 homeless people aged between 16-25 for up to two years. As well as providing accommodation they aim to enable individuals to develop essential life skills, overcome significant challenges in their lives, engage with

education, training and work, and grow in confidence and eventually be self-sufficient after the two years. They work incredibly hard to educate the young adults and support them so that they can be financially independent and lead a fulfilled life off the streets. Due to further funding cuts the charity was now desperately in need of oven baking trays, pillows and duvets. We provided 7 baking trays, 4 single duvets and 4 pillows. The charity was extremely grateful for the items and forwarded a message to us to "continue doing the amazing work that you do", which we of course always endeavour to continue. Your continued monthly donation of £1 per month impacts on so many lives; we thank you again for your support in making a difference to our community

Be kind without expecting
anything in return.
Do good, it is between you
and Allah.

A note to say that your money is not used as zakat but as lillah. Jzk.
