OF KINDNESS AND CHARITY

## Charity projects

### BCM Pound Projects update

This was project number 69 Alhamdulillah. This month the women's refuge that we previously donated the care packs to requested iftaari packs for the women and children who are currently living there. We were, of course, more than happy to oblige. We provided individual packs of food for the women consisting of staple foods such as flour, rice, pasta and lentils as well as cereals, dates, juice and some treats for the children. The food should be enough to last the month of Ramadan. A message from the refuge to all of you who donate towards these monthly projects: "It's very generous of people to make these donations on a monthly basis, as it helps to support those who are desperately in need. Many people are living in poverty due to the high cost of living and these donations help so many people

who are unable to afford essential items such as food, clothing and toiletries. Thank you so much for the food donations, this will keep the women and children going through the blessed month".

We also completed a second project and provided 245 packs of dates to migrants who are currently seeking asylum and do not have the means of purchasing/obtaining dates for iftaari. There are currently 5000 migrants who are in hotels awaiting assistance; the charity that helps to look after them made a request to us for dates. We donated 245 packs with approx 50 dates per pack, reaching a total donation of approx 12,250 dates (see image on the right). Many thanks for your donations to enable both projects to take place and assist so many people in the blessed month of Ramadan. Ramadan Mubarak to everyone!

A note to say that your money is not used as zakat but as lillah. Jzk.
